

Level 9 Practical Remote Exam Solutions

Level 9 students may schedule their Practical Remote Exam starting June 1, 2020, with the earliest possible exam date being June 15, 2020. Level 9 Practical Exam candidates will present their examination using a combination of YouTube recordings & Zoom as follows:

- o Repertoire and Etudes will be submitted as YouTube recordings
- o Technical Tests, Ear Tests, and Sight Reading will be conducted on Zoom

The process of this examination is outlined below:

1. Students are required to [create a YouTube account](#) and have their [YouTube account verified](#) in order to submit their recording to the RCM Certificate Program.
2. Students will record their YouTube videos prior to registering for their exam. Please review [this document](#) for information regarding using YouTube for your examination.
3. For the Zoom portion of the exam, students will register via the reschedule option. Students must reschedule before June 30, 2020. Please review [this document](#) on how to reschedule your exam.
4. Once your exam has been scheduled you will be sent a program form link.
5. Students will add their YouTube channel/video information in their program form.
6. Students will need to download Zoom and prepare their space for the Zoom portion of the Remote Exam. [This document](#) provide a suggested outline on how to set up your device and room when preparing for your remote exam.
