MUSIC IN EXILE

OCTOBER 14 - 15, 2006

Following the critical success of its 2003 Music Reborn series, ARC presents Music in Exile, a fascinating weekend of concerts and lectures exploring the music of composers who fled Nazi Europe, as well as those who remained, removed themselves from regular musical life and went into an "internal exile". For more information on these exciting and unusual programs, visit www.rcmusic.ca/arc.
